In darkness and light,  
valleys and mountains,  
tragedy and beauty,  
there is hope.

Hope is knowing  
that we are loved  
without boundaries,  
every step of our journey.

**Crosscreek** is a place  
where we experience  
that unconditional love;  
we seek to grow  
in our love for God,  
for others, and  
for ourselves.
