## **How to become a Member of Crosscreek Baptist Church**

### ***Committing to Follow Jesus Christ as Savior and Lord and Following Him in Baptism***

If this is your desire, come to the front of the church during the Hymn of Response. The pastor will discuss this decision with you and pray with you. At the first available time, as service of baptism will be scheduled. If you prefer, you may fill out the application on the reverse side of this form and give it to the pastor at the conclusion of the service. The pastor will schedule a time to discuss this decision with you.

### ***Transferring Membership from another Baptist Church***

Although we are not a Southern Baptist Church, we continue to exchange Letters of Membership with other Baptist churches. If you desire to transfer membership, you may come to the front of the church during the Hymn of Response and request a transfer of membership. If you prefer, you may fill out the application on the reverse side of this form and give it to the pastor at the conclusion of the service. The pastor will schedule a time to discuss this membership option with you.

### ***Transferring Membership from another Christian Denomination***

If you are coming from a faith tradition other than Baptist, Crosscreek will receive you as a member on the basis of your statement of faith in Jesus Christ, regardless of the mode by which you experienced baptism. If you would like to learn more about this process, please complete the application on the reverse side of this form and give it to the pastor at the conclusion of the service. The pastor will schedule a time to discuss this membership option with you.

### ***Dual Membership***

We understand that there are circumstances in which prospective members may wish to retain membership in a home church. If this is the case, you may request dual membership. Dual membership members are considered full members of Crosscreek and are eligible for all benefits and opportunities for service. If you are interested in this option, please complete the application on the reverse side of this form and give it to the pastor at the conclusion of the service. The pastor will schedule a time to discuss this membership option with you.

### ***Watch Care Membership***

College students who wish to be active in Crosscreek but desire to retain membership in their home church are offered Watch Care Membership. This option allows students to maintain membership at their home church while making a commitment to Crosscreek while they are in school. If you are interested in this option, please complete the application on the reverse side of this form and give it to the pastor at the conclusion of the service. The pastor will schedule a time to discuss this membership option with you.
